MEMORANDUM FOR: Acting Deputy Director of Central Intelligence

SUBJECT: Inadvertent or Unauthorized Disclosures of Classified Information to the News Media

Jack:

I checked with Tony Lapham per your suggestion. He sees no problems with DCI signing the memorandum for Brzezinski. I suggest that (1) we now retype the memo with changes on page one (see attachment 7) for DCI signature to Brzezinski; (2) retype note to the three NPIC employees with penciled change in paragraph two (see page 2 of attachment 5) and (3) tell Hetu to go ahead with his idea of briefing the Community Public Affairs Officers.
